PROGRAM

Tuesday, April 23rd

Arrive to the Faroe Islands and start immediately to discover our captivating islands.

Before heading to the capital for check-in at your hotel, we will first explore Vágur island, on which the airport is situated.

Highlights of this day will be Gásadalur village with its famous waterfall Múlafossur, Drangarnir sea stacks sailing trip, as well as a local afternoon snack in one of the island's coziest venues.

Faroesse tapas dinner in the capital's city centre.

Wednesday, April 24th

We start off with a fun and educating teambuilding activity – Tórshavn Selfie Tour. A 2-hour activity with the best highlights of the city centre. Divided into smaller teams – each with their own local guide – the teams compete against each other in completing the same selfie missions. The team with most points wins a Faroese souvenir each.

Afterwards, we embark on a bus sightseeing tour via the sub-sea tunnel with the renowned roundabout to Eysturoy island. Here, we will explore highlights such as the village Gjógv with its wonderful natural gorge, the stone formations ‘Risín and Kellingin’ – meaning the Giant and the Witch – as well as Norðadalsskarð, from where you have a beautiful view to Koltur island. A local, cultural stop for lunch is included as well as afternoon snack.

Faroese dinner in the evening at a culturally very interesting venue.

Thursday, April 25th

On this day we will drive to the north of Streymoy island, where we will hike from Saksun village over the mountain to Tjørnuvík village – a hiking tour of about 2-3 hours. Having arrived down to the shore, we will have a lovely lunch and learn a few things of this lovely village and the things that can be experienced there. Of course, we will stop by at the wonderful Fossá waterfall, on our way back to our hotel in Tórshavn.

Further details will follow.
